

## UNIFORM POLICY

It is a condition of enrolment of Mount Clear College that students will consistently wear full school uniform. Students have a responsibility to their College to show a presentable image to the wider community. Furthermore, the College is committed to supporting a positive transition into meeting workplace expectations. This means that jewellery and make-up should be discreet, including ear piercings. Students with facial and visible body piercings should wear retainers/spacers. Uniform should always be neat and presentable. Non-uniform items should not be evident in any way (eg. t-shirts showing under school shirts, trousers under long skirts etc). Skirts and dresses should be kept at an acceptable length – between the knee and mid-thigh.

The uniform code applies during school hours, while travelling to and from school and when students are engaged in school activities outside of school hours. The disciplinary measures used to enforce the dress code are consistent with school codes of conduct. There will be a graded series of sanctions reflecting the number of breaches.

If a student cannot, for an approved reason, wear full school uniform on a particular day, a note must be provided by a parent/guardian explaining why. Students will be issued with a pass by a Year Level Co-ordinator on presentation of the note. Students not wearing correct uniform may be provided with a uniform to wear for the day they are out of uniform.

### Technology Areas

For health and safety reasons all students enrolled in relevant subjects must have prescribed protective clothing including footwear before participation in practical work is permitted. Footwear must be protective leather shoes or boots.

**Suppliers:** Beleza, Doveton Street, Ballarat  
Messer & Opie, Bridge Mall, Ballarat  
Crocker Schoolwear, Armstrong Street, Ballarat  
Lowes, Central Square, Ballarat
